

Renault Motorhome Capped Price Servicing

Capped Price Servicing

Renault Capped Price Servicing enables you to benefit from standard servicing at a capped price for the first three scheduled maintenance services*. This means you have a better understanding of the future cost when it comes to maintaining your Renault.

What is Renault Capped Price Servicing?

Renault Capped Price Standard Servicing enables you to benefit from a capped price for your standard scheduled maintenance services (intervals based on distance travelled or time lapsed as set out below). Service intervals and prices for additional service items not included in the capped price scheduled below.

The current Capped Price Servicing and additional service item Schedules below apply for all vehicles purchased from 1st January 2018. If you purchased your vehicle prior to 1st January 2018 please contact your Renault dealer or Customer Service on 1800 009 008 for details regarding your specific vehicle.
